RIVERVIEW PARK & ZOO

WHAT IS YOUR FAVOURITE ANIMAL AT THE RIVERVIEW PARK & ZOO?

You can help support your favourite animal pals at the Park & Zoo by adopting one of them!

With over 125 animals and 45 species, the Riverview Park & Zoo is looking for you to help maintain the excellent health of our animal friends.

When you adopt one of our animals your adoption fees help with:

ANIMAL CARE: Our animals have varied needs and frequently require special attention. Your support through the Animal Adoption program helps our Animal Care Staff provide your adopted animal with the very best husbandry and care.

NUTRITION: Our animals require specialized diets. Adopting an animal helps us ensure that they receive their favourite foods on a daily basis.

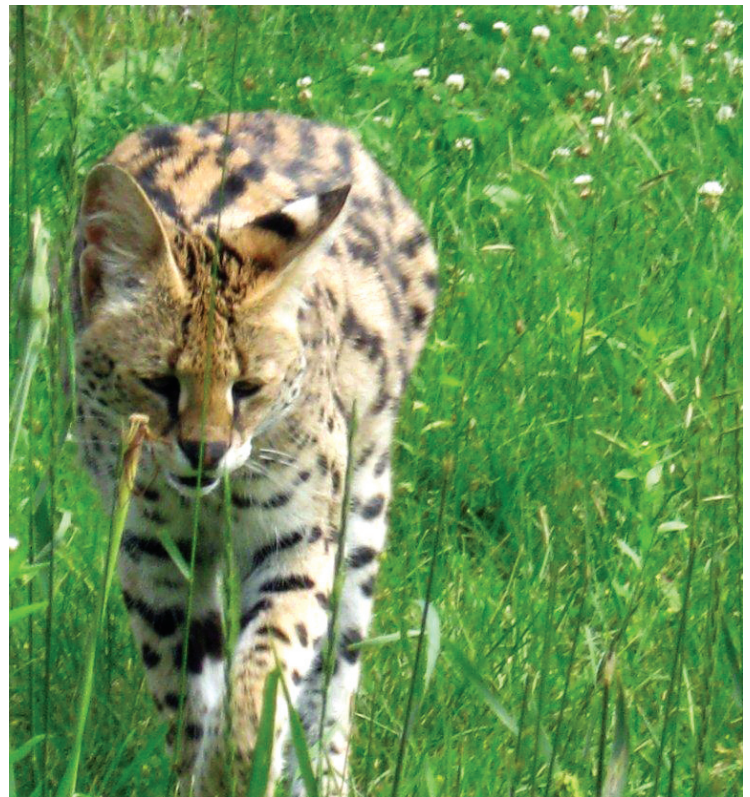

ENRICHMENT AND TRAINING: Our animals enjoy a variety of enrichment and training activities in a wide variety of forms. Your adoption fees help us deliver these programs and to ensure that all animals are able to have fun with their favourite toys!

VETERINARY AND HEALTH CARE: It is no secret that animal health care costs a lot of money. By becoming a part of the Zoo family, you help make sure that your animal friend receives top notch health care!

ADOPTIONS MAKE GREAT GIFTS

Consider making an adoption in someone else's name as a thoughtful birthday or holiday gift. Adoptions are also a great way for families, school classes and community groups to get involved locally with wildlife conservation. Each adoption includes an individualized adoption certificate, an animal fact sheet about the animal you have selected and a photo of the animal. Your adoption is also announced on our animal adoption board located in the centre of the Zoo. Standard adoptions are a one-year term that can be renewed annually. Tax receipts are provided for each adoption.
